

Title of Post: Care Practitioner
Reporting to: Assistant Service Manager
Salary/Hourly Rate: £12 per hour plus mileage
Location: Various
Hours: Full Time and Part Time Roles

Introduction

Highland Home Carers (HHC) was founded in 1994. We are a vibrant and forward-looking organisation. We have grown to become one of the major independent providers of home care and support services in Scotland. We currently employ over 250 staff and have a financial turnover of around £6 million. Our company has been owned by our employees since 2004. The business is governed and led by a Board of Directors, made up of three executive directors and three elected employee directors. We are a private limited company, with a strong commercial focus.

We provide a range of services for older and vulnerable adults in Inverness and across the Highlands:

- Care at Home
- Support Work
- Housing Support
- Supported Living Services

Job Purpose

As a Care Practitioner you will provide person centred care in line with assessed need on an individual basis with a holistic approach. Supporting individuals to remain in their own homes, local communities and familiar surroundings.

Main Duties
